Dear Traveler,

From our busiest cities to the open prairies to the deep forests and clear streams of the Ozarks, Missouri highways provide a safe avenue to adventure. As Governor – and on behalf of six million Missourians – I invite you to enjoy all Missouri has to offer during your trip through the Show-Me State. A journey through Missouri can make lasting memories, whether you are a first-time visitor or a lifelong resident.

As the Missouri Department of Transportation marks its 100th year in 2013, we are doing everything we can to make travel in the Show-Me State a safe and pleasant experience. You can help make your trip through Missouri safer by remembering to buckle up and by using extra caution in all work zones.

We think you will agree that with all that Missouri offers to see and do, you will want to travel in the Show-Me State many times. I wish you safe travels, and want you to know the people of Missouri look forward to welcoming you back often.

Sincerely,

Jeremiah W. (Jay) Nixon
