Our mission is to provide a world-class transportation system that is safe, innovative, reliable and dedicated to a prosperous Missouri.

The Missouri Department of Transportation is seeking highly motivated students to fill College Employment Training (CET) positions.

MoDOT's CET Program gives you the chance to use current classroom knowledge and gain hands-on experience in your field of study in a professional workplace.

The workplace experience is designed to compliment your classroom learning and setting you up for success.

To be eligible, you must:

- Have a High school diploma, GED or equivalent
- Have at least a 2.5 cumulative GPA
- Be enrolled and pursuing a two-year degree in a STEM related program or four-year degree in a STEM or business related field
- Be enrolled full time at a public funded Missouri college or university
- Be at least 18 years of age

Positions are available statewide for students majoring in programs such as:

- Engineering
 - Traffic Studies
 - Structural Design
 - Construction Inspection
- Design
 - Environmental
 - CADD
 - Geographic Information Systems
- Construction and Materials
 - Chemistry
 - Geotechnical
- Information Technology
 - Application Development
 - Network Management
- Business Related Field
 - Financial Services
