

# Route 171 Roundabout Project

## Near Carl Junction

### Project Facts:

- Relocate Route 171/96/YY intersection east of the existing intersection away from KCS Railroad to improve safety
- Build multi-lane roundabout at new intersection alignment
  - ◊ Roundabout will consist of two 16-foot lanes with 10-foot truck apron
  - ◊ Roundabout entry will consist of one or two lanes varying from 12– to 16-feet with four-foot outside shoulder
- Pave approximately 26 miles of Route 171 between Missouri/Kansas state line and I-49 along with a section of Jasper County Route O between Jasper County Route D and Missouri Route 96

### Traffic Impacts:

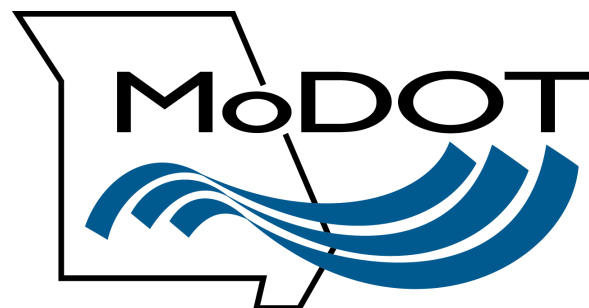

- Route 96 CLOSED at Route 171 for the duration of the project
- Additional highway closures, reduced lanes and traffic delays
- Drivers will be directed to signed detour using Missouri Route 43, Jasper County routes H, M & Z
- Drivers should find alternate routes to avoid work zone

**Completion Date:** December 15, 2021

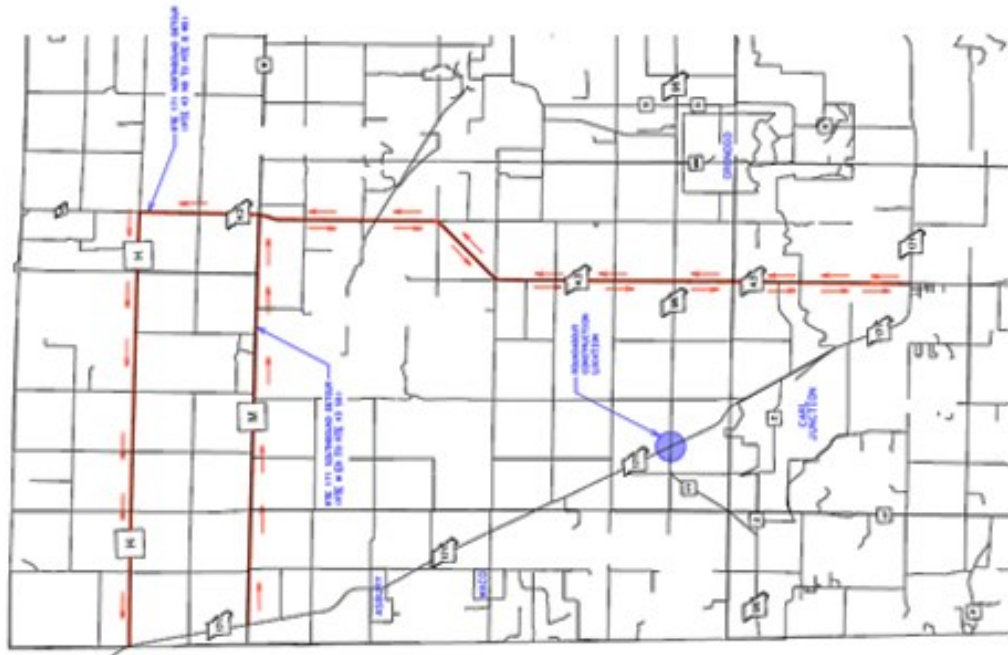

**Estimated Total Project Cost:** \$9.8 million
