

Tool and Equipment Challenge Application Form

Have you or your work group made a tool or modified a piece of equipment to get work done better, faster or cheaper? Why not let everyone share in the success? Fill out the form below. Your best practice may even qualify for an award and be used throughout the state. Most of all, thanks for helping make MoDOT the best it can be.

1) Describe your best practice. *(Attach photos, videos and diagrams if available.)*

We added a ramp to the hitch-haul platform that we use on our truck. The platform attaches to the front of the truck and we haul the tape cart or other wheeled tools on it and wheel them down the ramp at the work site.

2) How does MoDOT benefit from this best practice? *(Check all that apply.)*

- Saves money
- Saves time
- Simplifies work
- Improves safety

Describe how: Improves safety by eliminating the need to lift items in and out of the truck bed.

3) When was your best practice implemented?

1996

4) How much does your tool or equipment modification cost? *(Please attach a complete materials list.)*

Total labor hours:

1

Total material costs:

\$40

5) Contact information: Name

Kevin Hullet
