3. Click the Details button next to/below the MoDOT Land Disturbance Training course.

4. In the new window, select the Enroll button in the upper Rt. corner.

5. The course will be located under My Task on the Home tab at the bottom of the page.

You are not required to complete the course all at one time. If you prefer to break it up, be sure to select "save and close" in the upper right-hand portion of the screen. Once you have completed the class, there will be a blank certificate available for you if you want to take credit for the training hours. The certificate is not required for proof of taking the training, a list of all WPCMs is maintained for that proof.
