

## MISSOURI ROUTE 64 BRIDGE REPLACEMENT *Over Niangua River in Dallas County*

### PROJECT FACTS

- Build a new Missouri Route 64 bridge over Niangua River north and adjacent to the existing bridge
- New Route 64 bridge will be 21 feet wider including 4-foot shoulders
- New Route 64 bridge will include a 10-foot shared use pedestrian path on the north side of the bridge

### TRAFFIC IMPACTS

- Route 64 bridge will remain OPEN during construction
- No down-river floating under the bridge on the Niangua River at various times, between Monday - Fridays, during construction
- Niangua River floating will always be OPEN during Weekends & Holidays
- Temporary road accesses will be provided to nearby businesses to remain OPEN to the public
- Bennett Spring Access Area will remain OPEN to the public
- Short-term lane closures during traffic switch from old Route 64 bridge to new Route 64 bridge

### CONSTRUCTION

- Construction Start Date: 2025
- Estimated Total Cost: \$13.7 million
- Project Completion Date: November 2026

### BRIDGE FACTS

- Bridge built in 1931
- Bridge carries 1320 vehicles a day
- Old bridge 25 feet wide, 467 feet long
- Current bridge in need of frequent repairs
