Smoother, Safer, Sooner
Amendment 3

Missouri is known as the Show Me State, and we are working hard to show you safer and smoother pavements, brighter signs and bigger roadway stripes – all reflections of our Smoother, Safer, Sooner initiative, recently approved by Missouri voters.

While traveling, you'll notice many orange signs and barrels dotting the highways as we work to make our roads better. Please pay close attention in work zones. It could save a life or prevent a serious injury.

And while you are traveling, we hope you will enjoy Missouri's variety – prairies and forests, mountains and rivers. We offer everything from bustling cities to quaint, rural towns and villages. You will find Missouri to be a diverse state with something for everyone.

No matter what part of Missouri you explore, whether you are a first-time visitor or a lifelong resident, you will always find Missourians welcoming you like a neighbor with a warm smile, a friendly handshake and a hearty hello. And if you ask, they will also be quick to share with you their favorite state park, shopping district, concert hall, historical site or sports park.

We hope you find pleasure in Missouri now and for years to come. Please buckle up, travel safely and enjoy your ride!

Matt Blunt
Governor
