

Route 14 Widening

22nd Street to 32nd Street, Ozark

Project Facts:

- Widen Route 14 to four lanes between 22nd Street and Fremont Road
- Install raised concrete median in areas
- Install storm drains and curb and gutter along north side of Route 14 between 22nd Street and 25th Street; add four-foot shoulders between 25th Street and 32nd Street
- Add four-foot shoulders on south side of Route 14 between 25th Street and Fremont Road

Construction: 2020

Traffic Impacts:

- One through lane in each direction will remain open most of the time
- One-lane traffic possible at times mainly during lower traffic volume times
- Traffic shifts to move traffic away from construction work
- Entrances closed one-half at a time or one at a time, if two entrances exist
